SERVICE INFORMATION

Telephone Service is provided by the US Army Communications Command Agency - Redstone Arsenal, Alabama.

U. S. Army Security Agency Signal Personnel periodically conduct telephone COMSEC Monitoring of all telephones on the installation. Discussions of classified information on nonsecure telephone is prohibited. Communications systems are provided for the transmission of Official Information only. All DoD and Department of the Army owned, contracted, or leased telephones are subject to communications security monitoring at all times. Communications security monitoring is conducted to determine whether defense information is being protected in the interest of national security.

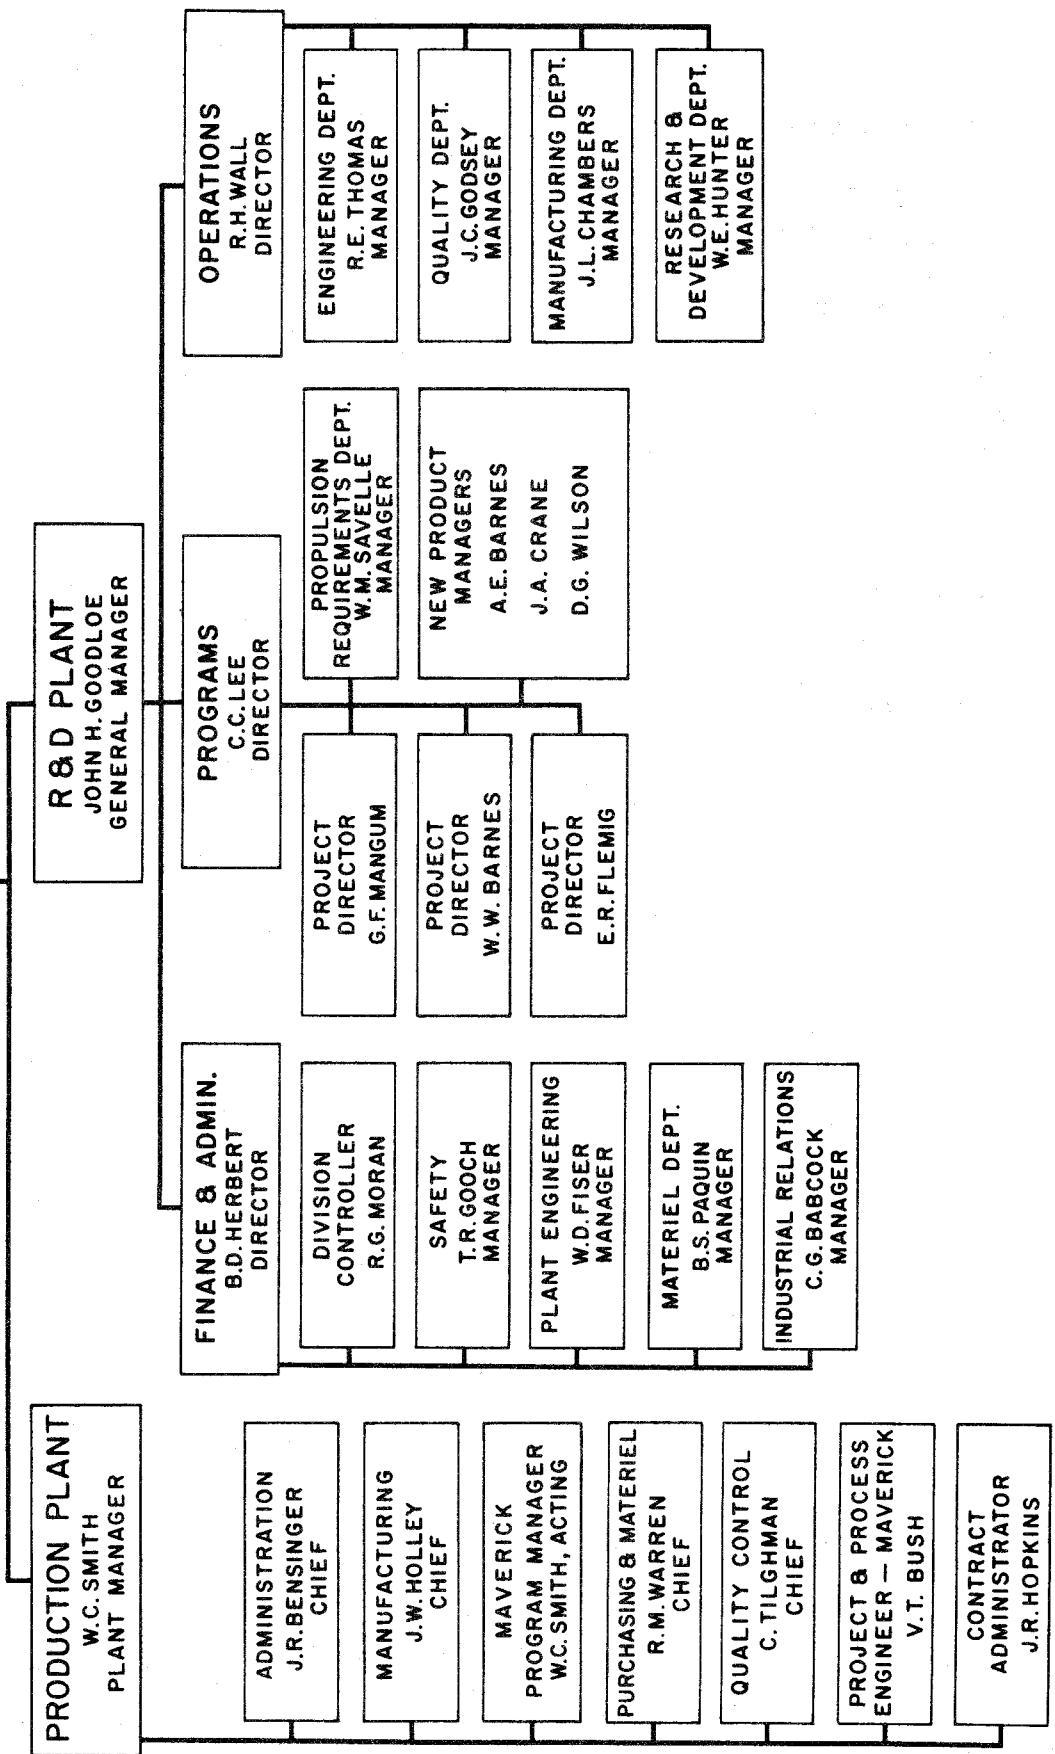

WARNING: The Telephone is not a secure means of communication. MATTERS OF A CLASSIFIED NATURE SHALL NOT BE DISCUSSED ON THE TELEPHONE.

Long Distance Calls:

1. All long distance business calls should be placed through the Redstone Operator. WATS provides operator direct dialing to all points in the United States. To place a call dial "0" and furnish the following information to the Redstone Operator: City and State, Area Code and Telephone Number you are calling, your Name and Number.
 - a. The use of direct dialing (i. e. dialing 9, then dialing number or requesting assistance from the South Central Bell Telephone Operator) should be used only in case of emergency, since these calls are on a much higher commercial toll rate.
 - b. Long distance business calls made from your home must be placed with the Redstone Operator by dialing 876-2211.
 - c. To reach Long Distance Directory Assistance dial 9, then 1, the Area Code for the place you want then 555-1212. For number in Alabama dial 9, then 1-555-1212. Tell operator the city or town then the name or place you want. There is no charge for this service.
2. AUTOVON

Thiokol telephones do not access AUTOVON. Agencies having AUTOVON facilities may direct dial this facility by dialing "746" and the last four digits of the Thiokol number desired.
