Breast of Chicken Supreme will be served with a vegetable, salad, etc. The cost will be \$12.50 per person.

133 Enjoy Second Annual HDAA Christmas Party

Jo Tipton and Roy Willis deserve much applause for the arrangement of our second annual HDAA Christmas Party. It was held on Thursday evening, December 12, at the Holiday Inn ballroom at Madison Square Mall. Mary King (Mrs. Richard King) was the catering manager handling our party.

"Get Reacquainted Time" (social hour) started at 6:00 p.m. and the buffet dinner started at 6:30 following an invocation by Janis Langley. Tables went to the buffet by random drawing of table numbers. The buffet was stocked with delicious sliced roast sirloin of beef, teriyaki chicken with pineapple sauce, seasoned green beans, broccoli casserole, buttered squash, parsley buttered potatoes, garden salad, rolls, beverages and assorted deserts.

Music was provided by David Sharp, a professional dee-jay. He played a mixture of easy-listening music and dance music. He even worked hard to get reluctant dancers out on the floor. Paulette Sellers subbed at the controls while David recruited dancers.

Christmas Party Attendees included:

Steve and Lottie Adamek;
Richard and Julie Alfiero; Bill Barnes; Billy and Jo Beal; Jeune Blackmon; Nita Boyd; Tom and Carol Bryant ; Betty Bryant; Jim

and Rosie Byrd; Michael and Lisa Charness; Clifford "Bo" Chunn; Ron and Alice Clements; Bill and Faye Cooley; Bob and Betty Davis; John and Linda DeHaye;

Material for Division History Being Sorted

The HDAA Board meeting on February 20 was followed by a work session to organize material offered for inclusion in the Heritage Room files at the Huntsville-Madison County Public Library.

This material being compiled will be available to us and to future generations. Such items as publications, clippings, photographs, minutes of meetings, rosters, and correspondence of historic significance are sought for inclusion. Material can be given to Jim Lee.

Picnic Set for 10 May 97

Jim Hamblin has made tentative reservations for the HDAA picnic on May 10 at the Redstone civilian recreation area down by the river..

Board members envision arrangements much like what we had last June, but with more open space and less heat. The May date was selected to try to get ahead of the summer heat we faced last June. This will be an event for the entire family, including kids and grandkids if interested.

Bill and Betty Savelle are now being seen getting around pretty well after their "real togetherness" experience of breaking complimentary legs in separate accidents.

Don Royston says he got good digestive improvement from a date with his surgeon's knife.

Paul Williams has left the UAH Continuing Education Dept. to take a financial management position in commercial business.

Hermann Miskelly has reportedly been named manager of ARC's Huntsville office.

Steve Harvison is now working for Thiokol's Space Operations in support of MSFC. He works close to **Phillip Franklin**, who is now with USBI, and **C.T. Bryant**, who also works for Space Operations.

Sherry and Bruce Hepler were in town from Utah and **Bo Stokes** was here from Belgium for the Engineering reunion lunch at **Craig Weckwarth's** restaurant, The Corner, just before Christmas. A couple of dozen retirees and younger alumni gathered for the occasion.

The third-Wednesday retiree lunch at El Palacio seems to need a larger table every month.

More Working:

Gwen Herman is employed by Litton/PRC in Research Park. This is where Pat Kavanaugh Anderson works.

Faye Liddy is working at Penny's in the Household/Linens Department. Faye says that Jim is tinkering.

Phil Worsham, J. Murphree, and a couple of other Huntsville Division alumni are working at Chrysler.

Patti Wilson is still administering the joint UAW-Chrysler education program.

Joan Smith is working at the Children's Advocacy Center training "counselors."

Dottie Luke is working in the UAH School of Engineering. Helen Mitchell is also working there.

Helen Clark is working at Magnetek and enjoying it.

Bill Stephens was getting ready for his retirement party when he was "recalled" by AMCOM (formerly MICOM) to work for another six months. But, the party took precedence over everything. HD alumni Dave Flanigan, Bill Schwarz, Jim Hightower, Robert Stanley, and Bob Lynch were among those roasting Bill. Wife Kathryn, ex-wife Lynn (with husband Harvie Jones), children, grandchildren, and many friends helped with the early celebration.

Cecil Stokes has now joined HD alumni Sam Zeman, Tom Sato, John Nelson, and Bernie Cobb in working part time for Stone Engineering.

Retirees Enjoy Lunches at El Palacio

A group of Huntsville Division retirees meets for lunch at El Palacio on the third Wednesday of every month. This group gathers at about 12:15 in the back room.
